Dear President,

It is with great joy and excitement that I learned about your election as President of the Somali Football Federation following elections held few days ago in Somalia.

On behalf of the CAF Executive Committee and the entire African football family, I would like to offer you my warmest congratulations for your election as President of SFF, providing the perfect avenue to steer national football to new heights.

Despite the extremely difficult challenges facing Somalia today, CAF is indeed confident that your experience as Secretary General of SFF and as a member of CAF Standing Committees will benefit not only Somali football but also African football as a whole. We look forward to cement our partnership and exchanges in order to benefit the youth of our beloved continent.

We wish you a very successful tenure in your position and rest assured that you can count on the support of the Confederation of African football to achieve a very successful mission.

With my most sincere regards,

ISSA HAYATOU
